

Welcome to Swig!

All of our sausages and franks are hand made in house. By that we mean we trim, grind, season, stuff, smoke, and cook stuff all right here from the freshest ingredients—daily! Some of our tasty morsels take time to prepare so there may be times when we run out of something. We appreciate your patience during those infrequent times. Believe us when we say, "It's worth the wait!". Let's get started.....
